

Mood-Based Playlist & Focus Room

HTML • CSS • JavaScript • React • AI Tools Allowed

The Problem

Students ko padhai ke time **focus** karne mein dikkat hoti hai. Tumhe ek **web app** banana hai jo student ke **mood** ke hisaab se uska **study environment** change kare - theme, timer, quote aur music, sab kuch.

Core Features (Must Have - 60 Marks)

#	Feature	Kya karna hai
1	Mood Selector	4-5 moods: Sleepy, Stressed, Energetic, Distracted, Overwhelmed (emojis ke saath)
2	Dynamic Theme	Mood select karte hi poori UI ka color, background aur font vibe change ho
3	Pomodoro Timer	Mood ke hisaab se timer badle (jaise Stressed = 15 min, Energetic = 45 min)
4	Motivational Quote	Har mood ke liye alag quote ya study tip dikhe
5	Responsive Design	Mobile aur desktop dono pe sahi dikhe

Bonus Features (Extra - 40 Marks)

Music / Ambient Sound Mood ke hisaab se music (YouTube embed ya audio)	Mini To-Do List Refresh ke baad bhi data bacha rahe (localStorage)
Mood History Chart Din bhar ke mood ka chart	Dark / Light Toggle Theme switch button
AI Personalized Tip API ya AI tool se mood-based smart tip generate karna	Animations Confetti jab timer complete ho

1 Hour Timeline (Suggested)

Time	Kya karna hai
0:00 - 0:05	Problem samajhna, plan banana
0:05 - 0:20	UI structure (HTML + CSS)
0:20 - 0:40	Logic (JavaScript / React components)
0:40 - 0:50	Bonus features + polish
0:50 - 1:00	Final testing + demo ki tayari

Judging Criteria

Criteria	Marks
Functionality	30
UI / UX Design	25
Creativity / Uniqueness	20
Code Quality	15
Smart use of AI	10
Total	100

Rules

- AI tools (ChatGPT, Claude, Copilot) allowed hain.
- Final output **HTML/CSS/JS** ya **React** mein hona chahiye.
- End mein **2 minute ka demo pitch** dena hoga.
- Poora project copy-paste nahi chalega - **samajh ke explain** karna hoga.

2-Minute Demo Pitch Guide

- **Problem (20 sec):** Kaun si problem solve ki aur kis ke liye.
- **Live Demo (60 sec):** Mood change karke theme, timer aur quote dikhao.
- **Tech + AI (30 sec):** Kya use kiya, AI ne kahan help kiya, tumne kya khud samjha.
- **Next Steps (10 sec):** Aur time milta to kya add karte.
